Hello Kumu Kealoha, Donors, and Classmates,

Thank you very much for giving me the opportunity to win the ukulele. I love the sound of my new ukulele. I also like it because the G string is an octave down. On my old uke it was regular. I've been playing it all day for a few days now.

I also love my new tuner. It used to be, tuning my uke was something that I didn't enjoy doing. But now it is something that I look forward to.

Thank you so much for the essay contest. Writing the essay totally changed my life. I didn't think I could change the world earlier, but now I have got confidance, and I believe that I can change the world.

Sincerely,
Anthony
