

Noho Ana Ke Akua

(God Resides Here)

Traditional

Noho ana ke Akua i ka nahelehele

God resides in the thick vegetation

I ālai 'ia e ke kī'ohu'ohu e ka ua koko 

That is hidden by the clinging mist by the low-lying rainbow

E nā kino malu i ka lani malu e hoe 

Forces in the heavens continually watch over us

E ho'oulu mai ana  'o ke Akua  i kona mau kahu

God inspires his guardians to flourish

'O mākou  'o mākou nō, ae

It is us, us indeed
